INSTITUTIONAL DISTINCTIVENESS

Throughout the coastal district of Balasore, Dr. Jadunath College is one of the best higher education institutions of learning. Established on 8.6 acres of land in a sylvan setting, the institution is dedicated to its mission and motto, which are to enable young men and women to become socially conscious and intellectually engaged citizens to give rural youth access to higher education. The college has been accredited to NAAC with a "B" grade (Cycle I) and a "B+" grade in (Cycle II) due to its dedication to moral and ethical values, quality teaching and learning, dedicated faculty, infrastructural learning resources, and good governance and leadership.

As visible from the vision and mission statements, the institute has been focusing on the holistic development of students while aiming at excellence in education and meeting the quality standards set by accrediting and regulatory bodies. NAAC while laying utmost importance on quality in education, and University while prescribing parameters for outcome-based education finally lead to the holistic development of the students. And so, the student-centric activities at the institute are designed to achieve the holistic development of the students. It has three components, namely, intellectual, social, and physical developments.

Intellectual development: The institute, implements the F. M. University curriculum through well-planned and effective teaching-learning activities blended with the latest pedagogy approaches. Various approaches have been taken to enable students to meet their individual needs. The students are facilitated to work on relevant problems related to society, and industry through projects like minor and major projects and complex problem solving. Students are enabled to work environment through regular industrial visits.

Social development: The social skills are nurtured through various activities conducted by the social clubs at the institute. Exposure to social issues and working on probable solutions: The students are exposed to the diverse social structure and their issues, particularly in the neighboring areas, through YRC, NCC, NSS, and Scouts & Guide implemented at the Institute,

The students undertake activities of spreading social awareness about various burning topics such as female feticide, women health, Swatch Bharat, etc.

Physical development: The institute promotes physical activities among the students to cultivate many important skills such as physical fitness, team spirit, confidence, decision-making, mental strength, etc. of the students. Each year, the institute organizes annual sports events for the students comprising various sports such as cricket, volleyball, throw ball, kabaddi, chess, carom, etc. In these sports both boys as well girls participate and show their skills – their sportsman spirit and team-building abilities grow. The institute celebrates International Yoga Day each year. During the camps held at various villages adopted by the institute through NSS, various physical activities like Yoga, exercises, outdoor sports, etc. are conducted.

The Institution is unique in its own right. One distinctive aspect of the college is the commemoration of its founder, Donner, the late Debendranath Panda, on July 30th, which is also his death anniversary. Meritorious students who perform very well on university exams are given additional assistance on this day in the form of Trust Fund Awards. In order to foster a sense of academic temper. National Science Day is celebrated annually on February 28. Prominent ITR Chandipur scientists, the vice chancellor of F. M. University, and other dignitaries are invited to inaugurate the souvenir every year.
